(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright we are going to begin with a vibrant blue color. This one is a 2nd Ray Blue that I am going to put a little bit of extra vitality in it. So 2nd Ray Blue is the Love Wisdom vibration. It helps bring the thoughts and the emotions together, or shall we say, the head and the heart together, and eventually, when exposed to enough of that 2nd Ray Blue, one begins to live life from the experience of always waiting until that head and heart are synchronized. So not acting rashly out of a thought that didn't suit the emotions or vice versa.

Now 2nd Ray Blue, with a vibrant, a little bit of extra energy to it. Let that energy run through the body.

The purpose for adding the extra vitality to it is because of the coming Spring Equinox and the way in which balance sometimes occurs, or imbalance frequently occurs, and balance is rare during the Spring Equinox transition. The reason being is that chemically the body will change its chemical base.

Now in this particular transition it is happening earlier. It is not waiting till around March 20th or 21st. It is happening earlier. It started happening at the end of February.

So in other words, we are seeing more imbalances and more severe imbalances than normal. If you take a medication or you take a natural for imbalances and it is not working, please seek some additional assistance professionally to get yourself in balance. Also watch your loved ones who might be seeking treatment for various chemistry imbalances. Now even if the imbalance is just really more hormonal, it will still affect the body strongly.

So one remedy that is helpful is that Love Wisdom, blended together, with a little bit of extra vitality. I think that will be quite helpful for you.

Now, our beloved little Rainbow wants to add a little cat purring here for you. There. She wanted to put a little animal companion Love to the vibrational mix today.

That completes our message for today. Just a nice short sweet message for you and something to work with for the coming week. It might also be good for the next 2 to 3 weeks. Use it as it feels appropriate.

As always thank you and my love to you.
