And here is Djwhal Khul’s latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. We’re going to work with a Healing Prayer for Mother Earth, specifically for sealing wounds or leaks. Much like your body, if you get a cut or a puncture or something, your body begins to seal itself in its normal state of awareness.

Now if there is some kind of device sticking out of the body where it can't seal itself off or the original cut happened under water or something like that, then the body cannot seal itself properly.

So in working with Mother Earth, specifically under water oil leaks, although you can work with any kind of a rupture, land or under water, we are going to do a very specific prayer. Now we start with a simple invocation: "Mother Earth please seal any wounds. Mother Earth please seal any leaks. Mother Earth please rectify any damage done by humans."

And then what we want to see is going under the earth to places that have been drilled. We want to see literally a sealing off of the energy there. Mother Earth capping its own oil well, so to speak.

You can work energetically with the fingers, just sealing back and forth, just get the feeling. Or maybe a dome effect, where it's running this way sideways rather than shooting upward, pressure change underneath that sort of seals off. Just keep imagining that, just keep feeling, almost like you can trace it with your fingertips, that the seal is working.

If you get enough people helping Mother Earth in this regard, then I believe we are going to start seeing some changes.

In the meantime, we are in the time period biblically called "Revelations", esoterically referred as "Truth Revealed". This is a very difficult time frame in which one can conceal Truth. In other words, Truth must surface and it is doing so much more quickly than ever before. However, the key ingredient to that is whether or not Humanity is ready to open their eyes, open their ears, open their hearts, even if it hurts initially, to be able to see and hear the Truth, and then to passionately act upon it according to Divine Will or Divine Order.

Your willingness to witness Truth unfolding and to hold the energy when what you see just feels to you to be deceitful, and not programmed conspiracy theory, but just your gut feeling is saying "something is not adding up there." Don't ignore it. Go ahead and speak up! Challenge it. Ask a deeper question. Very, very important that Humanity be willing to receive the Truth.

Alright. As always, thank you and my love to you,

Djwhal Khul
