And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

We have a very interesting Uranus going retrograde on Friday the 13th and quite a little bit of interesting dancing going around with that and I do expect some things to be misinterpreted or go wrong, basically.

As a spiritual seeker, one of the best things that you can do is to focus on Love, self-love first and foremost. And then use your discernment heavily, especially around political things, financial things, celebrity news, world leaders, that sort of thing. So I think that this particular Uranus retrograde is going to have a strong effect on famous people, famous places, famous things.

As always, make sure that you're doing your best to heal and not harm, within yourself and toward others as well.

As always, thank you and my love to you,

Djwhal Khul
