(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. This is just about a new moon coming up before the Sacred Full Moon of the Christ, which is the first of three sacred moons, would be Christ, Wesak, Buddha or Christ, Wesak traditionally Buddha Moon and then the third one would be the Full Moon of Humanity.

So it is time to begin to prepare as the Moon goes dark then we start invoking the Christed consciousness within and really let that come up and rise to its full glory.

So you want to maybe even work with a golden white light, very brightly shining in the aura, as well as just invoking the full Christed potential of all of Humanity.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
