(Channeling begins)

Djwhal Khul here. Tashi Delek.

Well we're in a Mercury retrograde, interesting way to start a New Year and then we have Jupiter going retrograde. Because it's going retrograde in Virgo, and a few other reasons, I see that as the planet of expansion, fortune and several other things. But really what it's saying is that if you apply those energies with *intent*, kind of a Virgo organized method, you can actually maximize quite a bit...

(Hmm we have a cat helping with the computer, Hiroshi is his name. Hmm I'm going to work from the back side of the laptop there.) So vibrationally you have a chance to *expand* rather than

contract, you have a chance to *design* what you want for your expansion. So it could be expansion of relationships, expansion of wealth, expansion of your ability to manifest what you want in life.

So in with our [New Year Declarations](#) which was a Teleseminar that we did, I gave very specific declarations to use, but mostly what I want to say here is this is an *ongoing* exercise of your conscious intent.

So be clear what you do want and say it frequently. Dream about it. Think about it constantly, day in and day out. And also when the negative thoughts arise or negative opportunity presents itself, use the words "No thanks. I refuse to play" and that will serve you well.

Alright Dear Ones. Thank you and my love to you,

Djwhal Khul
