And here is Djwhal Khul’s latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

One moment here. If you’re practicing channeling you know that you can come in kind of light and sink down a little bit deeper so I’m going to be sinking down a little bit deeper here. Alright good.

Alright. Violet Flame is what I am going to work with now. Just really sort of seeing the entire body engulfed in violet flame and then if you would please as well see the planet engulfed in violet flame.

There is a lot of potential here for transformation. Getting new starts and seeing things with fresh eyes. We have the Sun about to enter Aquarius. We have a lot of Aquarian Age energies coming in.

We're going to be working with really anchoring Aquarian Age concepts at a new level. Probably most exciting is that there is what I might call a stream of new consciousness coming in and many who are sensitive are receiving it. Also the highly creative are receiving it. So this opens to all kinds of new possibilities, despite the Mercury retrograde and the Jupiter retrograde. So use those to your benefit.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
