And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Well kind of coming off of a Super Moon with a lot of ET activity associated with it.

Then we have a Mercury going retrograde in Capricorn on December 19 and it will carry into the New Year so making holiday travel maybe a little bit trickier.

But more so I think the Capricorn influence is going to be creating some mishaps, like forgetting a detail, or forgetting an appointment, getting appointment times mixed up. So double, triple check

everything and you know, if something does fall through the cracks, send blessings and keep moving forward.

So no crying over spilled milk, as they say. Just keep moving. "Oh well, missed that one." Keep moving forward.

As we get a little closer to the holidays I'll have more information available.

As always, thank you and my love to you.

Djwhal Khul
