(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Well this week we have Martin Luther King Jr's Birthday celebrated which is a sort of unification, peace, equality. Then we have Mercury in a storm, I believe retrograde before we conclude the week. I'll take a look here for a moment if you don't mind. Yes. On 21 of January Mercury goes retrograde in Aquarius.

It's going to be very interesting with all of the mish-mash of energies going on with the masculine influences, the Blood Moons and the final squaring of Uranus and Pluto, so this week's focus is on Unity and Equality.

Keeping in mind that it's always best to lead from the heart or fill the consciousness with Love, let the Love energy overflow.

Look for the common denominator or seek out Unity and Equality in all things in Creation and especially so within your self. We like to say that spiritual growth and personal growth are always an inside job so when you can achieve it within your own consciousness then you can see it in all others and in all of Creation.

As always, thank you and my love to you.
