And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday:

(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Wesak is upon us again. My favorite time of the year.

Wesak 2015 is sort of a start of a Spiritual New Year as always but this time with a lot of momentum for making change.

We are doing a formal Wesak Ceremony, it's actually already available if you want to check the website and then the <u>Tele-Seminar page</u> there at www.terrinewlon.com. You can join us for Wesak.

And this is building and building upon the energies so the more you listen to it the better.

And I am titling this one "Easy Changes" because there will be changes, like it or not, and you want them to be easy.

Let's see what else am I going to work with here for a moment. Let's bring in a golden white light from above, just sort of bathing the body, almost like you're standing in a beautiful waterfall of golden white color and you can see it very fluid in that way.

And then just the intent to renew your service at Wesak and also to accelerate your ability to be of service this year. So keep those intents in mind: *renew* your service and *accelerate* your service.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
