(Channeling begins)

Djwhal Khul here. Tashi Delek.

Alright. Let’s see here. Well, most notably Venus and Uranus go retrograde this weekend and I see a lot of fallout from that. So I wanted to give you a little heads-up with that.

The Venus retrograde can kind of provide a perfect magnifying glass to study relationship dynamics and especially for looking at your own level of self-love which is of course first and foremost because you can only love others to the extent that you love yourself.

I see in this retrograde time period relationships that aren't really functioning too well, probably crumbling or getting reassigned in some way. That retrograde is Venus in Virgo and it lasts till September 6.

Then, again that's Saturday, the next one is Sunday and it's Uranus retrograde that will happen in Aries and it lasts till December 26. That particular retrograde is a little more complex because there's a bundle of things going on astrologically, what I would call a pot mess basically and Uranus is still kind of coming off of the Pluto Uranus Square process.

It's basically calling for changes and sometimes very quick changes, or disruptions, even eruptions, riots, things like that. Calls for being flexible and going with the flow in the moment. And if you can stay present in the moment, you'll do very well during that time period. If you have kind of future plans or you're more of a schedule type person, you'll have a lot more disruptions than normal.

Mostly concerned about how that's going to affect humanity because people who like their routines and don't like their routines disrupted are going to have a harder time; a lot more anger surfacing from that. So basically again, with this Venus and Uranus retrograde you want to build your own sense of self-love, go with the flow, maybe even sequester yourself from time to time so that you're not around other people getting caught up in negative energies. Go back to your personal mission in this incarnation which is probably a bringer and keeper of the peace.

Alright Dear Ones. As always, thank you and my love to you.
