And here is Djwhal Khul's latest Spirituality Article, information complimentary every Thursday: (Channeling begins)

Djwhal Khul here. Tashi Delek.

Well this is kind of an interesting week: 7-7-16, 7-7-7 technically, 7-7-9 if you're really counting the year 2000. But I want to work with the 7-7-7 energy and Angelic Presence because 7 is quite a spiritual number.

So this is about requesting Angelic Assistance and I want to literally see Angels all over, like literally just draped on tree tops, stuck all over your aura, stuck all over your car, every room of the house has several Angels in it.

So I want to see Angels in abundance and to consciously invoke them. Say

- "Angels please grace my presence."
- "Angels please multiply in this area."
- "Angels please go comfort that family that is having a hard time."

So you want to be very, very conscious of Angelic Presence and requesting quite a bit of help. Receiving the help of course and perhaps also the awareness that the more you invoke them, the more they grow. Or they can multiply literally because they're being invoked.

So let us focus upon Angelic Presence and multiplying.

Alright Dear Ones. As always, thank you and my love to you.

Djwhal Khul
