Djwhal Khul here. Tashi Delek.

Alright. This week we have Neptune going retrograde in what I call psychic Pisces so we've got a *lot of watery* activity affecting the 3rd Eye center. The 3rd Eye is certainly used for intuition and it's used for telepathic communication and everything from that subtle, you know, you just think about your best friend and then suddenly the phone rings and it's your best friend that you were thinking about to your animal companions being able to communicate to you, their water bowl is empty or they don't feel very good or the food is causing an allergic reaction, or something like that.

So we're going to be sort of closely focused on the powers of the 3rd Eye and the element of water. I'm going to suggest an exercise of seeing sort of a watery flow of energy that goes back and forth: out of your 3rd Eye toward a topic of concern or toward your own highest power regarding maybe your career or your relationship or your health, any other concerns you have.

Use a watery flow. Now that can be a symbol of infinity kind of paddling back and forth; it can be like waves coming on to shore and going back into the ocean but practice working with a watery 3rd Eye and that should help you during this time period. It is retrograde from June 16 to November 22.

Alright Dear Ones. As always, thank you and my love to you.
