Djwhal Khul here. Tashi Delek.

Alright. Well I think this week we've got the eclipse building effect so on August 11, New Moon solar eclipse building on the eclipse from two weeks ago and really we have a whole series of things that are building here.

I am going to recommend that you go deep within and contemplate who would you be without a belief system. So at least momentarily, dropping all thoughtforms. Not "Oh! I'd be a being of light" or "I would be cured by Divine Love". Even let those go. So the question is who would I be without a belief system of any kind? And just sit with that energy. I think that is going to be quite powerful.

Alright Dear Ones. As always, thank you and my love to you.
